## **Carl Harris**

---

Carl is an Executive Director at The Chartered Institute for IT - a professional body and registered charity. Carl is a Chartered IT Professional (CITP) with more than 20 years' experience across a range of domains including IT, digital transformation, operations and marketing.

Between 2011 and 2017, Carl was executive lead for IT, Customer Service and Operations functions covering circa 120 people. He was responsible for leading the delivery of technology strategy and operational capability to meet overall business strategy and objectives, including risk management and regulatory compliance. Accountability included planning, directing and managing the £4M operating budget and significant investment programmes.

Since 2017, Carl has been executive lead for Brand and Marketing. He has responsibility for leading on the translation of business strategy into a programme of awareness and engagement activity. Responsibilities also include development of the Institute's brand, overseeing all marketing activity across the Institute and delivering digital services to the Institute's members

## **Pauline Miller, Chair**

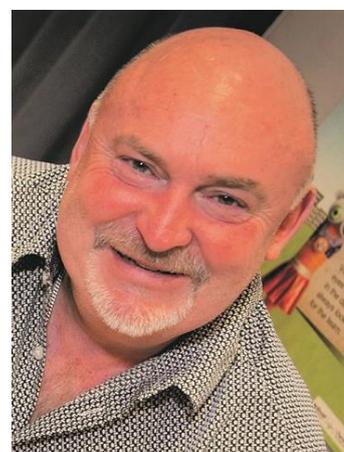

---

Pauline Miller is a very experienced School Improvement Adviser who since 2011 has worked with leadership teams within a group of primary schools, undertaking a wide range of activities including supporting leaders in their improvement journeys, self-evaluation, monitoring and evaluation processes.

From 2007 to 2011 she was a Senior School Improvement Adviser with lead National Strategies responsibility for advising local authorities and primary schools in the South West region; supporting the schools causing concern programme including the development and full integration regionally of the Primary SIP programme. She also led a national project supporting schools moving from 'Good to Great' which developed effective school to school partnerships, and captured the learning for national dissemination.

Previously, Pauline was a Senior Adviser with Swindon Borough Council having responsibility for the aligning of support so that it had maximum impact and supported significant change within the LA.

Pauline was previously a primary teacher and a deputy headteacher, teaching throughout the primary age range. She has also worked in a variety of LA's including South Gloucestershire, Wiltshire, Gloucestershire, Hereford and Worcestershire supporting school improvement.

## **Neil Griffiths**

---

Neil Griffiths is a former headteacher before becoming a director of a National Literacy Project for a government agency. Neil is currently an international freelance consultant offering training across a range of subjects. He is also the author of 60 children's books and founder of Project Gambia a charity that supports and funds five schools in this amazing country.
